Professional Summary

Results-driven B.Tech Computer Science student with a specialization in Cloud Computing and a proven track record of leveraging data-driven insights to accelerate business growth. Ranked **11th nationally in the ZS Associates Hackathon**, demonstrating elite-level strategic thinking and competitive problem-solving. Adept at translating high-level technical architectures into compelling business value propositions. Seeking to apply technical expertise and strong interpersonal skills in a **Technical Sales, Solutions Consulting, or Business Development** role.

Education

Vellore Institute of Technology , B.Tech in CSE (Specialization in Cloud Computing) CGPA: 8.57	Sept 2022 – June 2026
Modern Delhi Public School , Senior Secondary School CGPA: 8.70	Apr 2020 – Apr 2022
Modern Public School , Secondary School CGPA: 9.10	Apr 2018 – Apr 2020

Core Skills

Professional & Sales: Technical Sales, Solutions Consulting, Stakeholder Management, Business Analysis, Strategic Pitching, Relationship Management, Market Research, Public Speaking, Negotiation.

Architecture & BI: AWS Cloud Architecture, Power BI (DAX, Dashboards), Tableau, Predictive Analytics, Software Design Patterns, Agile Product Development.

Experience

Solutions & Business Analytics Intern | Hyphen SCS, Noida May 2024 – Jul 2024

- **Business Analysis & Requirements Gathering:** Acted as the bridge between technical teams and business stakeholders for the "VibeSync" application, interpreting user needs to drive product feature roadmaps.
- **Process Optimization:** Conducted in-depth business analysis to design an interactive analytics dashboard, **simplifying complex reporting workflows** and increasing operational throughput by 40%.
- **Data-Driven Strategy:** Leveraged React.js and Node.js to implement a responsive UI based on behavioral analytics, resulting in a **30% boost in user retention** and improved customer engagement metrics.

Projects

PrepWise (AI Mock Interview Solutions) [Link](#)

- Managed the end-to-end product development lifecycle of a full-stack platform using Next.js and TypeScript, applying software engineering principles to solve the market gap in automated interview preparation.
- Designed a **scalable architecture** and integrated REST API endpoints, ensuring seamless data flow with a focus on scalability, performance, and cross-platform security.

Cognitive Attendance (Automation Tool) [Link](#)

- Developed an **intelligent automation** system using Python (Flask) and OpenCV, effectively streamlining sophisticated administrative workflows and eliminating manual resource wastage.
- Presented technical innovations to stakeholders, focusing on cost-saving and accuracy metrics to demonstrate the business value of the AI integration.

Achievements & Certifications

- **National Rank 11 — ZS Associates Hackathon:** Outperformed 50,000+ candidates in solving high-stakes business analytics problems using data-driven frameworks.
- **Smart India Hackathon '25 Qualifier:** Selected for national-level competition for innovative technical problem-solving.
- **AWS Solutions Architect Associate:** Certified in designing enterprise-grade cloud solutions.
- **Technical Certifications:** Python Essentials, AI & ML Essentials, DevOps Fundamentals, HTML/CSS/JS Professional Certification.
