Professional Summary

Results-driven B.Tech Computer Science student with a specialization in Cloud Computing and a proven track record of leveraging data-driven insights to accelerate business growth. Ranked **11th nationally in the ZS Associates Hackathon**, demonstrating elite-level strategic thinking and competitive problem-solving. Adept at translating high-level technical architectures into compelling business value propositions. Seeking to apply technical expertise and strong interpersonal skills in a **Technical Sales, Solutions Consulting, or Business Development** role.

Education

Vellore Institute of Technology , B.Tech in CSE (Specialization in Cloud Computing) CGPA: 8.57	Sept 2022 – June 2026
Modern Delhi Public School , Senior Secondary School CGPA: 8.70	Apr 2020 – Apr 2022
Modern Public School , Secondary School CGPA: 9.10	Apr 2018 – Apr 2020

Core Skills

Programming & Technical: Python (Pandas/NumPy), JavaScript, TypeScript, SQL, Java, React.js, Next.js, Node.js, Flask, REST APIs, HTML/CSS, Git.

Professional & Sales: Technical Sales, Solutions Consulting, Stakeholder Management, Business Analysis, Strategic Pitching, Relationship Management, Market Research, Public Speaking, Negotiation.

Architecture & BI: AWS Cloud Architecture, Power BI (DAX, Dashboards), Tableau, Predictive Analytics, Software Design Patterns, Agile Product Development.

Experience

Solutions & Business Analytics Intern | Hyphen SCS, Noida May 2024 – Jul 2024

- Business Analysis & Requirements Gathering:** Acted as the bridge between technical teams and business stakeholders for the "VibeSync" application, interpreting user needs to drive product feature roadmaps.
- Process Optimization:** Conducted in-depth business analysis to design an interactive analytics dashboard, **simplifying complex reporting workflows** and increasing operational throughput by 40%.
- Data-Driven Strategy:** Leveraged React.js and Node.js to implement a responsive UI based on behavioral analytics, resulting in a **30% boost in user retention** and improved customer engagement metrics.

Projects

PrepWise (AI-Powered Readiness Platform) [Link](#)

- Strategic Product Development:** Spearheaded the conceptualization and launch of an AI-driven interview preparation platform, identifying and addressing critical gaps in candidate readiness.
- User-Centric Solution Design:** Orchestrated the product roadmap to deliver a seamless, high-performance user experience, focusing on intuitive workflows and cross-platform accessibility.

Cognitive Attendance (Automation Tool) [Link](#)

- Operational Efficiency & Automation:** Designed and implemented an automated resource management system to modernize administrative workflows, significantly reducing manual effort and human error.
- Stakeholder Management & ROI Analysis:** Successfully pitched and justified the project to stakeholders by demonstrating clear business value through cost-savings, accuracy metrics, and process optimization.

Achievements & Certifications

- National Rank 11 — ZS Associates Hackathon:** Outperformed 50,000+ candidates in solving high-stakes business analytics problems using data-driven frameworks.
- Smart India Hackathon '25 Qualifier:** Selected for national-level competition for innovative technical problem-solving.
- AWS Solutions Architect Associate:** Certified in designing enterprise-grade cloud solutions.
- Technical Certifications:** Python Essentials, AI & ML Essentials, DevOps Fundamentals, HTML/CSS/JS Professional Certification.
