Professional Summary

Bold and execution-focused B.Tech student with a "Builder" mindset. Combines deep technical domain knowledge in AI, Cloud, and Web Dev with a passion for **strategic communication** and **user behavior analysis**. Proven ability to lead high-quality conversations, analyze learner/user intent, and drive growth-oriented outcomes. Eager to act as the bridge between learners and their career goals at **SkipperX** by recommending high-impact technical learning paths.

Education

Vellore Institute of Technology, B.Tech in CSE (Cloud Computing) | **CGPA: 8.57** Sept 2022 – June 2026
Modern Delhi Public School, Senior Secondary School | **Percentage: 87.0%** Apr 2020 – Apr 2022

Experience

Associate Intern | Hyphen SCS, Noida May 2024 – Jul 2024

- **Insight-Driven Guidance:** Analyzed system reporting data to build an interactive dashboard, automating complex trend analysis and improving team decision-making speed by **40%**.
- **Bridging Outcomes:** Acted as the primary interface between cross-functional teams (Product Marketing) to resolve OS/Network friction, ensuring smooth project execution and developer success.
- **High-Quality Conversations:** Led discussions to configure API connectivity for the "VibeSync" application, translating complex technical requirements into clear, actionable outcomes for stakeholders.
- **Strategy Execution:** Managed a structured progress pipeline during Agile sprints, maintaining **99.9% uptime** and fostering a culture of action and innovation within the intern cohort.

Featured Projects (Outcome Focused)

PrepWise (AI-Powered Career Accelerator Platform) [Link](#)

- Built an ed-tech tool specifically designed to bridge the gap between theory and real-world interviews using Next.js and AI, identifying and solving user friction points during conversational workflows.
- Analyzed user behavior to refine the feedback loop, ensuring students receive portfolio-ready insights rather than just certificates.

Cognitive Attendance (Execution Automation) [Link](#)

- Engineered a real-world solution combining hardware and cloud databases to automate tracking, turning a manual process into a structured, data-driven learning system.
- Demonstrated **Team Leadership** and **Problem-Solving** by identifying edge cases in recognition scenarios and executing robust fixes under pressure.

Skills

Communication Psychology: Stakeholder Pitching, User Intent Analysis, Behavioral Guidance, Ethical Closing, Recommending Technical Learning Paths (AI, Data, Web Dev).

Strategy Execution: Management Pipeline, Growth Operations, Startup-Speed Execution, Resource Planning, Project Scope Analysis.

Technical Foundation: AWS Certified Solutions Architect, Python (Automation), SQL, Power BI, React.js, Node.js, Cloud Infrastructure (VPC, EC2).

Achievements Certifications

- **National Rank 11 — ZS Associates Hackathon:** Proven "Hungry to Grow" mindset, excelling in a high-pressure, competitive environment among 50,000+ candidates.
- **AWS Solutions Architect:** Validated technical expertise to guide learners through modern Cloud and AI career tracks.
- **Smart India Hackathon '25:** Recognized for quick thinking and bold execution in collaborative team environments.
